I'll Make You a Master of CHINESE KUNG-FU

. . . the Oriental ART of INSTANTANEOUS DEATH that is applied with NO Bodily Contact

the Chinese methad af Attack and Self-Defense kept so secret that it has been handed dawn in Chino only from father to son because af its DEADLY power to disable ar kill! Now these devastatingly brilliant secrets that require NO PHYSICAL STRENGTH OR EXERTION are revealed to you in the English language by a KUNG-FU Master wha dares to teach you AT HIS RISK!

WHO *IS* THIS MAN?

Behind the blindfold is the Hon- Master "Kung-Fu." That's not his real name, of course. If you were a Kung-Fu expert, you'd recognize his real name at once, if we were to reveal it. But we cannot, for his Chinese fellow Kung-Fu Masters would punish him severely for revealing the deadly maneuvers he has sworn to keep secret.

What IS Kung-FU?

KUNG FU *is* the most DEADLY form of defense and attack ever devised! Even a Karate, Savate or Judo expert shudders at the thought of meeting a KUNG FU master because he knows who the winner will be! With just a little knowledge of KUNG FU learned easily in the privacy of your home this FAST, EASY, PICTURE WAY, you can beat hoodlums, OUTFIGHT TWO, THREE and even FOUR Karate or Judo experts, Professional Wrestlers or Boxers!

When CHINESE KUNG-FU arrives in your mail, you turn to page 87 and look at the easy to understand photo illustrations IN STANTLY you see how easily you can turn your opponent attack into a CRIPPLING blow to his chest—a maneuver you can perform in just a few minutes of practice! A few pages later I show you how to escape a deadly triangle hold quickly and easily by slamming your attacker into the ground!

Protect Yourself and Your Loved Ones!

Containing more than 150 step by step LIVE ACTION and SLOW MOTION PHOTOS your personal KUNG FU Master Instructor takes you by your hand and shows you in plain clear and simple easy to understand language how to use highly secret KUNG FU to multiply your power a THOUSANDFOLD. You learn how to handle a small mob of attackers who are fully armed and even pinning you to the ground so you can't move. You pay nothing if you can't disarm one hoodlum — send another flying through the air and slam a third into the ground—all in a split second of KUNG FU maneuver that will take your attackers by surprise!

Never Be Afraid Again!

Secretly written in the Orient the contents of this amazing how-to picture book was shipped to Hawaii where it was printed under cover away from prying eyes, then sent to the U. S. for limited distribution to those who agree to apply KUNG FU ONLY FOR SELF DEFENSE! If you were fortunate enough to be able to go to China Hong Kong or Hawaii to take this amazing course—and were willing to pay $500 or even $1,000 to your KUNG FU Master—you would be refused because KUNG FU secrets are NEVER taught to strangers or outsiders! Because KUNG FU is deadly beyond imagination (and since *attack* as well as *defense* is taught) only a small limited edition has been printed. Frankly we don't want just everybody to learn these secret maneuvers.

KUNG FU will NOT be sold in any store and is available ONLY by mail to serious students who must vow NEVER to use it on an aggressor—but only as self defense to protect himself, his friends and family. We don't ever want a criminal or hoodlum to be able to buy it because of its deadly power.

Law Enforcement Agencies. Write for quantity discounts on official letterhead.

Become a NEW MAN!

Our streets aren't safe today. Crime increases daily. You no longer have to be helpless ashamed or humiliated—and look pitiful in the eyes of your friends. Protect yourself, your family, your girl friend from hoodlums and wisecracking bullies. With KUNG FU you can use the hidden power that lies within you to master every situation! You'll laugh at your send bullies and criminals flying in terror and you'll walk the streets happy, calm and confident in your new power! And you'll do all this without working up a sweat or even spoiling the crease in your trousers. That's because brilliantly executed KUNG FU requires NO bodily contact — virtually NO physical exertion — and almost NO application of your body or hands! And yet KUNG FU can be *deadly crippling* and *disastrous* to any unfortunate opponent who is foolish enough to threaten you with ANY other technique, such as punching, Savate, Judo, Wrestling etc! Yes, with the confidence that KUNG FU can give you you can walk the streets with the knowledge that NOTHING can frighten you that you can deal with ANY man, ANY weapon, ANY situation! Your friends and loved ones will be proud of you with your new power.

Nothing Else To Buy!

KUNG FU is complete—there is NOTHING else to buy—ever! You don't have to practice on dummies and you need no apparatus. Once you receive CHINESE KUNG FU you can throw away all the other courses on Self-Defense you have ever bought—because NONE competes with KUNG FU! KUNG FU is effective whether you're standing sitting or even LYING DOWN ASLEEP and OFF GUARD!

It was originally decided to offer the complete KUNG FU instruction at $10.00—a TREMENDOUS bargain at that price. However to make it available to good citizens who want to use these secret maneuvers for self defense and to help combat the ever increasing crime rate, we are making KUNG FU available now at *the amazingly low price of just* $3.98. If you and your friends don't say that KUNG FU has made a NEW MAN out of you every cent you have paid will be refunded without question! Don't even bother returning the KUNG FU book. Just tear off the front cover and mail back to us for a full, no questions asked refund. We'll take your word for it. MAIL COUPON NOW! AIR MAIL if you want it overnight.

brought her to San Francisco. Big Brother and the Holding Company, with Janis Joplin out front, took off. Janis, who had been singing what she calls "a Bessie Smith-type thing," found that when you have a rock 'n' roll group behind you, you've got to use full lung power to be heard. So she did. She also uses everything else she's got to get across her message—love, passion, sadness, sex.

The little blues singer from Texas and the hip guys from San Francisco are the most exciting rock group to come along since the first one—The Beatles.

Their first official LP album—the Big Brothers have a couple of other albums that don't show them to best advantage—is called *Cheap Thrills*. Buy it, because mere words won't show Janis and the group to best advantage either.

The Bee Gees, the three brothers Gibb, Barry, Robin and Maurice, Colin Petersen and Vince Melouney, have a new LP out, *Idea* (Atco SD33-253). It's terrific. When asked to name my favorite bands on the record I couldn't—they're all fine.

"Let There Be Love" is done in the slightly country-nasal tenor sound that the group has made their own and is a delightful rock ballad. Other songs on the album are "Swan Song," "Idea," and the moving "In The Summer Of His Years."

It's interesting to note that the Bee Gees are the best selling group in the world today—they've got twenty-eight top sellers in twenty-three countries. And from the evidence offered by *Idea* they entirely deserve their position.
